

Compassion 03 – Sunday 16th May 2021

Introduction

Today we will discover that Jesus was a 'people person' and that satisfaction in life can be found if we are a 'people person'.

Main Points of Sermon

Nearly all the main accounts of Jesus in the Gospels involved interaction with people, either in groups or as individuals.

Jesus was a 'people person'.

He did have times away from other people, but these were times of preparation with His Father.

Jesus ate with many different groups of people, a picture of Him wanting relationship with all men.

We were created in His image, created for relationship, to be loving and compassionate.

Meditation Points

What are your favourite accounts of Jesus' interactions with people?

Meditate upon them, what can you see Jesus doing?

What do they tell you about Jesus and about compassion?

Be honest; do you think are you a people person?

Are you a people person all the time or just some of the time?
